

Infrastructure and Facilities (Electrical Engineering Department)

Electrical Measurement & Instrumentation Lab

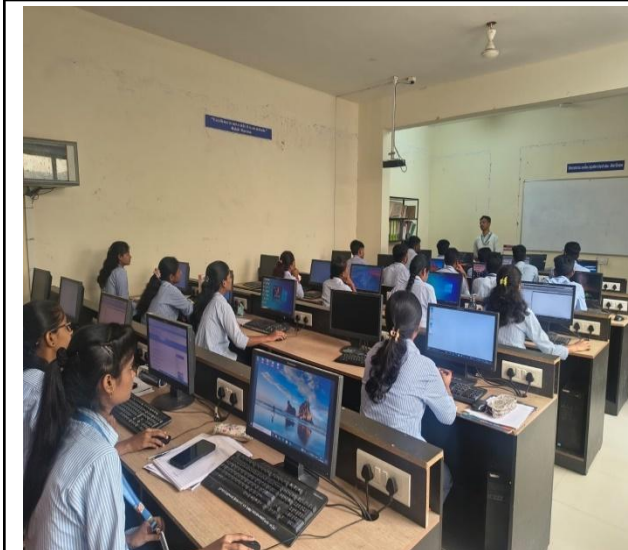

High Voltage & Electrical Material Science Lab

Power Electronics Lab

Electrical Machines Lab

Infrastructure and Facilities (Electrical Engineering Department)

Control System Engineering Lab	Analog & Digital Electronics & Micro-Controller Lab
	
Network analysis PLC& SCADA Lab	Advanced Electrical Drives & Control Lab
	
Switchgear & protection Lab	Power System Lab

Infrastructure and Facilities (Electrical Engineering Department)

Basic Electrical Engineering Lab
