**Organized By:** S. B. Patil College of Engineering, Vangali, Indapur, Pune

**Date:** 20 February 2026

**Venue:** College Campus, Vangali, Indapur, Pune

➤ **Introduction**

Kalavishkar 2K26 was a grand cultural and talent event organized by S. B. Patil College of Engineering on **20 February 2026** at the college campus in Vangali, Indapur, Pune. The main objective of organizing this event was to provide a platform for students to express their creativity, showcase their talents, and encourage innovative thinking beyond academics.

Kalavishkar is one of the most anticipated events of the college, where students actively participate in various activities such as cultural performances, technical presentations, competitions, and creative exhibitions. The event aims to nurture students' overall personality development, teamwork, leadership skills, and confidence.

➤ **Inauguration Ceremony**

The program started with an auspicious inauguration ceremony in the presence of distinguished guests and faculty members. The event was honored by the presence of the respected owner of the institute, **Harshvardhanji Patil**, whose continuous support and guidance have contributed greatly to the development of the institution.

Along with him, **Bhagyashree Patil**, **Ankita Patil**, and **Rajvardhan Patil** also graced the occasion with their presence. Their participation motivated the students and added significance to the event.

The program began with a warm welcome of the guests by the organizing committee and faculty members. The guests were welcomed with bouquets and traditional greetings as a mark of respect and gratitude. After the welcome ceremony, the dignitaries inaugurated the event formally, marking the beginning of Kalavishkar 2K26.

### ➤ **Guest Address**

During the inaugural session, the respected guest **Harshvardhanji Patil** addressed the students and encouraged them to actively participate in various co-curricular and extracurricular activities. In his speech, he emphasized that such events play a vital role in developing creativity, innovation, and confidence among students. He also highlighted the importance of balancing academic learning with cultural and creative activities for overall personality development.

The other guests also shared their valuable thoughts and motivated students to pursue their passions and talents. Their words inspired the participants to perform with enthusiasm and dedication.

### ➤ **Activities and Participation**

Kalavishkar 2K26 included a wide range of cultural, technical, and creative activities. Students from different departments actively participated in the competitions and showcased their talents. The event featured various performances such as dance, singing, drama, and other cultural programs that entertained the audience and created a lively atmosphere.

Apart from cultural performances, technical activities and innovative presentations were also conducted, where students displayed their ideas, projects, and creative concepts. These activities provided students with an opportunity to demonstrate their skills and knowledge in different fields.

The participation of students was remarkable, and the entire campus was filled with excitement, enthusiasm, and positive energy. The organizing committee worked hard to ensure that every activity was conducted smoothly and successfully.

### ➤ **Student Engagement and Learning**

Kalavishkar 2K26 was not only an event of entertainment but also an opportunity for students to learn new things, develop leadership skills, and work together as a team. Through participation in different activities, students gained valuable experience in event management, coordination, and collaboration.

Such events help students to step out of their comfort zones and explore their hidden talents. They also encourage interaction among students from different departments, thereby strengthening unity and friendship within the college community.

## ➤ Conclusion

Kalavishkar 2K26 was a memorable and successful event organized by S. B. Patil College of Engineering. The event provided an excellent platform for students to showcase their talents and creativity while also learning important life skills. The presence and encouragement of respected guests **Harshvardhanji Patil, Bhagyashree Patil, Ankita Patil, and Rajvardhan Patil** made the event even more special and inspiring.

The event concluded with a vote of thanks, expressing gratitude to the guests, faculty members, organizing committee, and students for their efforts and contributions.
